Family & Community Resource Guide

This Family Resource Guide is designed to connect families of our school community with resources to help in times of need. This Guide is made possible through the Gateway Community Charters - Community Engagement Team, 2-1-1 Sacramento and various other community resource organizations. There are many additional services located throughout Sacramento County and the surrounding areas, that residents may want to turn to for help.

For more help, dial 2-1-1 or (916) 498-1000 or email them at info@211sacramento.org

Call 7-1-1 if you are hearing impaired and ask to be connected to 2-1-1.

Before making your phone call for a particular service, you may want to write down:

- **WHO** do you want to talk to?
- **WHAT** information do you want to know, or
- **WHY** do you need this service?
- **WHEN** are the services available?
- **REMEMBER** if this particular service is unable to assist you, can they make a referral to someone who can?
- **REMEMBER** to gather the name and contact information you need, for future reference.

*Some programs in this Guide may have limited their services due to resource availability.

Note: The resources provided in this guide are referrals only. They are not recommendations.

2-1-1 Sacramento's Online Database

This 2-1-1 information and referral web site is provided by 2-1-1 Sacramento, a program of Community Link (formerly Community Services Planning Council). We keep an accurate and comprehensive database for Sacramento County where you can find programs and services to meet your needs. Our database allows you to browse or search through thousands of health and human resource records online; learn more about agencies, their programs, and the services they offer; see details about their eligibility and intake requirements, fees if any, languages available, hours of operation, and more. Every effort has been made to ensure that the information in this database is timely and accurate. Search for services by categories or program names in easy-to-use methods. To start a search, use the Keyword Search box or use the Guided Search above. To find help in other areas of California or the United States visit the 211 website: www.211.org.
